HOW TO USE THE FOUR COLUMNS

BLOG	Read the authoritative written teaching.
VIDEOS	Check once you have completed the videos for that numbered teaching.
STUDY	Check after working through its available Scripture study materials.
DONE	Mark when you consider your study of that teaching complete.

- The number of videos may vary by teaching. One VIDEOS box covers the full set.
- You may return to a teaching or explore new material without losing your checkmarks.
- Unpublished materials are not requirements. Progress is self-reported, not graded.
- This records learning activity, never spiritual standing, obedience, or maturity.

Let Christ be your Master.
